

Aurum Capital Represents Origins Lab in its Sale to Montrose Environmental Group (NYSE:MEG), Expands Environmental Testing Operations in Rocky Mountain Region

September 11, 2024

DENVER, CO–(FOR IMMEDIATE RELEASE)–Aurum Capital Connect (“Aurum”) today announces that its client, Denver, CO-based **Origins Laboratory, Inc. (“Origins”)**, a leading provider of environmental laboratory testing services, has been acquired by Little Rock, AR-based **Montrose Environmental Group, Inc. (NYSE: MEG) (“Montrose”)**. Aurum, helmed by Steve Donelson, Will Armstrong, and Reed Stauffer, served Origins as its exclusive investment bank and M&A advisor on the transaction. The Company, founded in 2006, is a NELAP-certified environmental laboratory specialized in measuring water, soil, and air contaminants for oil & gas clients in the Rocky Mountain region.

HIGHLIGHTS

- As an established name in the industry, Origins Laboratory, Inc. will be integrated into MEG’s Measurement & Analysis segment and operate as part of **Enthalpy Analytical, LLC, a subsidiary of Montrose.**
- The acquisition adds facilities and 30+ skilled craft employees to Montrose’s existing global environmental solutions ecosystem.
- Origins’ founders, Noelle Doyle and David Mathis, will remain in leadership roles following the acquisition.

Montrose Environmental Group, Inc. (NYSE: MEG) is a leading environmental solutions company focused on supporting commercial and government organizations as they deal with the challenges of today and prepare for what’s coming tomorrow. With ~3,400 employees across 100+ locations worldwide, Montrose combines deep local knowledge with an integrated approach to design, engineering, and operations, enabling Montrose to respond effectively and efficiently to the unique requirements of each project. From comprehensive air measurement and laboratory services to regulatory compliance, emergency response, permitting, engineering, and remediation, Montrose delivers innovative and practical solutions that keep its clients on top of their immediate needs – and well ahead of the strategic curve. www.montrose-env.com

“Our excitement to partner with a first-rate group like MEG cannot be overstated”, David Mathis & Noelle Doyle, Origins Lab Founders said in a prepared statement. “The future is bright for Origins’ clients and employees as we embark on this new chapter. The bankers at Aurum made this process as smooth as possible; they quickly became an extension of our team, and we are grateful for their expertise and professionalism.
